Introduction

ABM Fujiya Berhad (ABM Fujiya) was incorporated in Malaysia on 16 September 2003 under the Act as a public limited company under the name ABM Fujiya Berhad. ABM Fujiya is an investment holding company, whilst its subsidiary companies, Amalgamated Batteries Manufacturing (Sarawak) Sdn Bhd (ABM), Amalgamated Batteries Corporation Sdn Bhd, Amalgamated Batteries Marketing (Sarawak) Sdn Bhd and Auto Industries Batteries (East Malaysia) Sdn Bhd, are involved in the manufacturing of automotive batteries and Other Batteries, as well as dealing, sale and retailing of automotive batteries and Other Batteries and lubricants.

ABM, a subsidiary of ABM Fujiya was established in 1971 to primarily manufacture complete units of automotive batteries in various sizes ranging from 7-plate batteries to 33-plate batteries which cater for a wide range of Malaysian, Japanese, Korean and European made vehicles ranging from small passenger cars to buses and trucks. Its operations started from a humble workshop, but over the years it has grown from strength to strength.

Over the past 47 years, the Group has invested in high-tech and automatic plants and machineries to equip it to manufacture products that are of world-class standards. This is coupled with its emphasis in human resource development which has earned the Group with the reputation of producing good quality and reliable products.

At present, the Group is operating four plants with a total production capacity of approximately 1.6 million units of batteries per annum. Our effort of continual improvement and constant training provided to our workforce has established a strong and consistent strength that make our products competitive in the market, allowing us to expand our market to more than 50 countries.
