INTRODUCTION

The talk aims to provide an overview to the Professional Interview, assisting those interested to becoming MIEM/Professional Engineer. Further divided to 3 separate sessions, the talk is ideal for graduate members with more than 3 years of working experience to familiarize with the available forms and what is needed in the design reports. The three sessions of PI awareness talk via Online (Microsoft Team) are:

A) Session 1 – How to fill in the A100 form on 1 August 2020, 7.00 pm – 8.30 pm

B) Session 2 – How to fill in the A401 form (training and experience report, 18 competency elements) on 14 August 2020, 7.00 pm – 8.30 pm (Outcoming)

C) Session 3- What to include in the design report on 28 August 2020, 7.00 pm – 8.30 pm (Outcoming)

SPEAKER PROFILE:

Ir. Sim Hui Kheng (Stephanie) obtained her Bachelor of Science in Civil Engineering from UITM (1st. Hons) (1997) and Master of Science in Project Management from Curtin University of Technology (2012). She is registered Professional Engineer (P.Eng) with the Board of Engineers Malaysia (BEM) with Practicing Certificate (PEPC) and Fellow Member of The Institution of Engineers, Malaysia (IEM). Currently she is the Honorary Secretary of the Institution of Engineers Interview/BEM Professional Assessment Examination and registered Mentor for IEM Log Book Scheme.

Ir. Stephanie's professional experience includes the following:

Jan 2019 to Present	Quality Manager, Public Works Department, Sarawak
