

**SUTS-IEM Evening Talk Series: “How Project Management Knowledge and Skill Can Enhance Your Career Path and Opportunity?” (1.5 PDUs)**

**By Ir. Dr. Mui Kai Yin**

*(Co-organized with Swinburne University of Technology Sarawak Campus)*

**Date** : 21<sup>st</sup> July 2021 (Wednesday)  
**Time** : 7.00pm – 9.00pm  
**Venue** : Microsoft Teams

CPD / PDP: 2  
Ref no.: IEM21/SWAK/264/T(w)

**Synopsis**

This sharing session aims to provide an introduction about the Project Management Institute (PMI®), the benefits of PMI® memberships, the types of world-recognized credentials you can obtain from PMI®, and how you can connect to PMI® and start getting benefits from it. The speaker, Ir. Dr. Mui will introduce PMI® “A Guide to the Project Management Body of Knowledge (PMBOK® Guide)”, good practices, and share his personal experiences of using the guide in a few industries he worked in. He will also discuss on how effective application of project management knowledge, skills, tools, and techniques can enhance an individual’s career path and opportunities. He will also provide some tips on how to plan, execute, and manage projects effectively. Typical questions such as how much a certified project manager can earn, what are the prospects and trends in project management practices will also be covered.

**Tentative Program Flow**

Dr. Mui graduated from the University of Sunderland, UK with an Honours Degree in Bachelor of Engineering (BEng Hons in Mechanical Engineering). Thereafter, he continued and completed his postgraduate degree from the University of Warwick, UK with a Master of Science (MSc in Advanced Mechanical Engineering). He also holds a Doctor of Philosophy Degree (PhD in Management) from the Atlantic University, USA; with a research thesis on Multi-National Corporation Employee Retention - Human Resource Management.

He had more than 24 years of working experience on leading, directing and managing various projects portfolios in the Electronics, Telecommunication, Automotive and Construction industries, professional development, as well as non-for-profit organizations, and led more than >100 local and global new product launch/projects successfully.

One of the significant projects he led and managed was the design and build of one of the world's largest solar cell manufacturing plants in Malaysia (>MYR 1 billion investment). In this portfolio, he was the Senior Project Manager who led the Engineering, Procurement and Construction Management (EPCM) functions on behalf of the client and managed more than >100 project team members and relevant stakeholders from diverse cultures and backgrounds. This project received the Institution of Engineers, Malaysia (IEM) excellence award in 2012.

Dr. Mui is a Certified Project Management Professional (PMP®) and a Certified PMP® Instructor, a Certified Agile Certified Practitioner (PMI-ACP) with the Project Management Institute (PMI®), USA ([www.pmi.org](http://www.pmi.org)).
