Federation of Engineering Institutions
of Asia and the Pacific (FEIAP)

FEIAP 2026

**Engineering the Sustainable Transition
Through Innovation and Resilience**

2-4 September 2026 | BCKK, Sarawak, Malaysia

Sponsorship Package

FEIAP 2026

FEIAP 2026 convenes engineering leaders, policymakers, industry experts, and professional institutions from across Asia and the Pacific for a high-level exchange on engineering solutions for sustainable development, infrastructure resilience, and technological advancement.

Hosted by the Institution of Engineers Malaysia (Sarawak Branch), FEIAP 2026 will welcome over **500** delegates from FEIAP member economies, combining the World Engineering Congress, General Assembly, technical sessions, exhibition, and curated technical visits.

Our Highlights

34th General Assembly

World Engineering Congress & Exhibition

Youth Talent Innovation Competition

Sponsorship Tiers

The Sponsorship & Co-Hosting Programme offers organisations a structured platform to gain strategic visibility, demonstrate leadership, and engage directly with decision-makers and engineering professionals at regional and international levels.

Strategic Value & Opportunity

Unparalleled Access to the Asia-Pacific Engineering Network

Strategic Visibility & Branding

Enhance brand visibility within a highly trusted international engineering community. Secure a prominent platform to showcase technical expertise and innovative solutions to a concentrated audience of buyers, consultants, and decision-makers.

Institutional Thought Leadership

Demonstrate clear organizational leadership in sustainable development, infrastructure resilience, and technological advancement. Align your brand with critical regional efforts shaping the future of engineering.

High-Value Network Engagement

Build actionable relationships with regional partners, ministries, state agencies, utility providers, and statutory bodies. Gain a structured, credible platform for long-term engagement in Asia-Pacific infrastructure markets.
